It's Time to Reserve Your

Thanksgiving Turkey

This will be the best turkey you've ever tasted! These turkeys are raised as nature intended, feasting on our lush organic pastures and wholesome organic grains. The flavor is incomparable! This year I'm raising heritage turkeys, hatched from our own organic breeding flock. Our breeding flock contains Narragansett and Bourbon Red turkeys. Both breeds have been recognized by Slow Food International's Ark of Taste as having outstanding taste as well as cultural significance. These heritage turkeys grow slower than modern breeds of turkeys, making them more expensive to raise. However, the unique flavor, the quality of the meat, and the health benefits of the pasture raised birds are worth the extra time and money. The turkeys will average between **8-20 pounds** dressed. Please include a $20 deposit to reserve your bird, and indicate size preference. I will do my best to meet your size requirements, but final weight may vary. This deposit will be credited towards the purchase of your turkey. **Fresh** (never frozen) turkeys will be available for pick up at the farm on Tuesday, **November 19, 2012**. Quantities are limited, so reserve your turkey today! Turkeys are **$7/pound**.

Name _____

Address _____

Phone _____ Email _____

I would prefer a turkey weighing approximately _____ pounds.

Please print and complete this form, and return, along with your $20 deposit, to:

Sun Harvest Farm
2065 County Road T
Marshall, WI 53559
